# INTRODUCTION

Welcome to the Pizza BTC community on OpenChat!

Join us for pizza-fueled discussions, memes, and updates about our meme token on the Internet Computer blockchain. Let's come together to make Pizza BTC the talk of the town!

it's a community-driven initiative aimed at spreading joy, laughter, and some cheesy goodness throughout the cryptocurrency space.

In a world filled with serious investments and complex financial instruments, Pizza BTC brings a breath of fresh air, reminding everyone to take a moment and enjoy the lighter side of life.

# **VALUES**

At Pizza BTC, we believe in the power of humor and camaraderie.

Our values revolve around inclusivity, entertainment, and fostering a sense of community among our token holders.

We encourage creativity, memes, and lighthearted discussions within our community platforms.

We understand that cryptocurrency can sometimes be intimidating, so we strive to make Pizza BTC accessible to everyone, regardless of their level of expertise.

# ***SECURITY***

## **Security And Trust**

Community Vigilance: We encourage our community members to remain vigilant and report any suspicious activities or potential scams related to Pizza BTC. We provide resources and guidelines on how to identify and avoid common crypto scams.

# ***ECOSYSTEM***

This currency was created for the public in the real sense and with a strong thinking and in the not too distant future it will become one of the stable currencies of your wallet!

# ROADMAP

## Q1

**Token Launch:** Pizza BTC will be launched on the Internet Computer blockchain, marking the beginning of our journey to bring joy and laughter to the crypto world.

## Q2

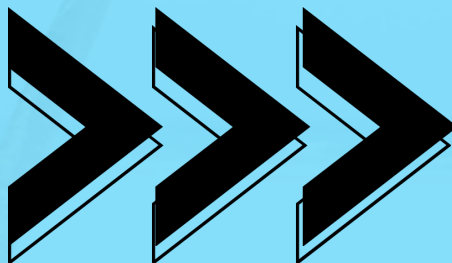

**Community Building:** We will focus on growing our community through various social media platforms, including OpenChat, where Pizza BTC enthusiasts can come together to share memes, jokes, and of course, their love for pizza.

## Q3

**Partnerships:** As we expand our reach, we will seek partnerships with pizza chains, meme creators, and other like-minded projects to further promote Pizza BTC and its message of fun and inclusivity.

## Q4

**Continuous Innovation:** Our journey doesn't end with the launch of Pizza BTC. We are committed to continuously innovating and finding new ways to engage our community and spread joy through the power of memes and pizza.

# TOKENOMICS

- **Tripin Maximum Supply:** Pizza BTC will have a maximum supply of 21,000,000 tokens, ensuring scarcity and value appreciation over time.
- **Initial Investment:** The maximum initial investment amount for Pizza BTC will be set at \$20, allowing everyone to participate without breaking the bank.
- **Incremental Investment:** To ensure fairness and accessibility, the maximum initial investment amount will be increased every 15 days, giving more people the opportunity to join the Pizza BTC community.
